

MYSTERY VAN BUILDING STEPS!

It's the '60s Van, Maaaaan!

This classic little van could take some MiniFigures to the beach for a surfin' safari, get them to the rock festival for three days of peace & love, or even help them hunt ghosts and ghouls if they've got the right dog!

You can build the '60s Van using pieces from your own LEGO Collection and make it any color you like!
