

TRADE FEDERATION MECHNO-WALKER!

BUILDING STEPS

Separatist Viceroy Nute Gunray likes nothing better than surveying newly-conquered planets from the seat of his Trade Federation Mechno-Walker. Available only to the wealthiest Neimoidians, this speedy, elite personal transport comes equipped with its own force field projector and a pair of medium blasters in case of Republic surprise attack.

Build the Trade Federation Mechno-Walker using pieces
From **#7748 Corporate Alliance Tank Droid™**
and **#8036 Separatist Shuttle™**!

TRADE FEDERATION MECHNO-WALKER!
